Dear Cocker Enthusiast,

Plans are well under way for the 2008 National Cocker Championship, which this year will be held in Bozeman, Montana. We want to extend a personal invitation for **YOU** to become a Patron for 2008. This National is to be held on Cranefield Farm with the Bridger Mountains as backdrop. Not only is the scenery spectacular but also this years cool spring weather has offered us plentiful cover, which will no doubt challenge the best of the cockers.

The NCC Patron Program continues to underwrite a substantial portion of the NCC costs. Entry fees cover only approximately 40% of the overall costs of this event. We are totally **dependent upon your generous donation** to provide a quality event. The NCC Committee is providing a cost saving package to prospective patrons who are attending the event by including banquet tickets and other privileges in return for a monetary donation.

In addition, this year **patrons who have submitted their donation by no later than September 1, 2008 will receive close to a 10 % discount** on the donation amount. Below is a list of the three Patron levels and their inclusions:
